The Office of Early Learning is proud to announce the release of the Florida Early Learning and Development Standards: Birth to Five courses **online!** These courses provide practitioners with high-quality online information to learn how children grow and develop.

There are three levels of courses organized by the practitioner's level of experience. Options available are Entry Level, Career Level, and Director Level. The online courses are currently available in English. A Spanish option will be available in the near future. Each course costs \$10 and participants may register through the Department of Children and Families Child Care Training Portal.

The courses are five-hour courses with an embedded assessment. CEUs are available once the embedded assessment is successfully completed. This information will be documented on the DCF Training Transcript. For additional information on the courses, you may call 1-866-357-3239.
