

# New Phonological Awareness Training Now Available!!!

## Integrating the Standards: Phonological Awareness (2019)

This **NEW** training has been revised and updated from previous available versions and is appropriate for all preschool educators (i.e., preschool directors, administrators, VPK teachers, preschool teachers and classroom assistants). Participants will receive .2 Continuing Education Units (CEUs) for their participation and new course credit awarded on their Department of Children and Families (DCF) Training transcript.

During this two hour, instructor-led training, participants will receive expanded knowledge on the **Florida Early Learning and Developmental Standards** with an extensive focus on the phonological awareness standards and benchmarks. Participants will receive new and exciting instructional strategies as well as developmentally appropriate practices, to be implemented in a preschool classroom. Each participant will walk away with new knowledge and expanded instructional skills.

**Registration for this class and all other Office of Early Learning (OEL) training is required and available on the Department of Children and Families (DCF) Child Care Training System:**
